TEXAS

The very word is a challenge. It stood as a challenge to the bold and venturesome pioneers, and stands today to challenge us. Our heritage has built a land of peace and plenty that Texans of today enjoy.

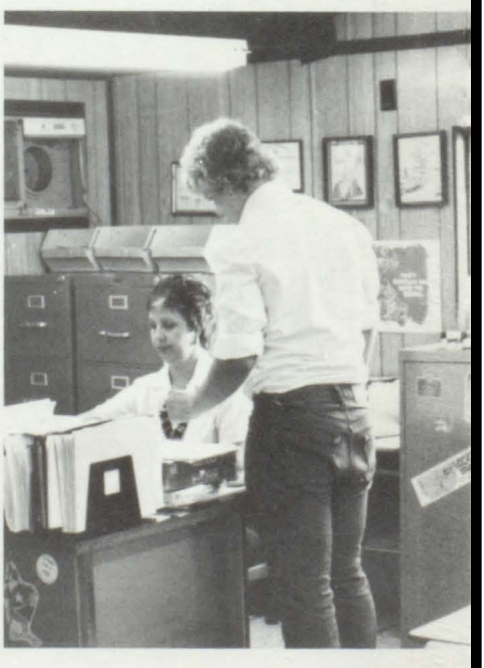

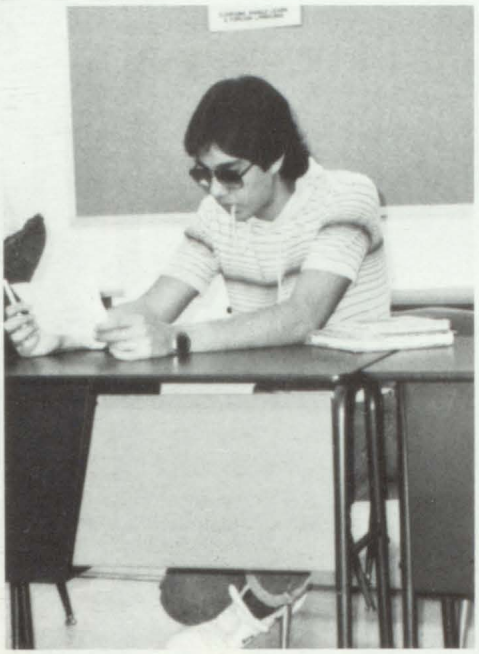

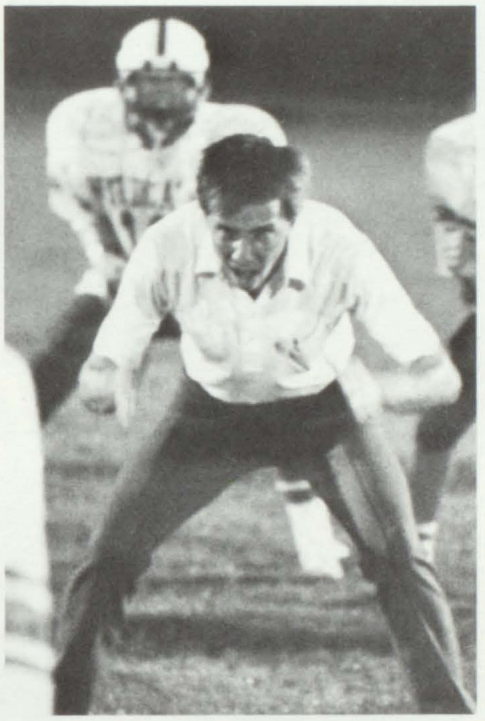

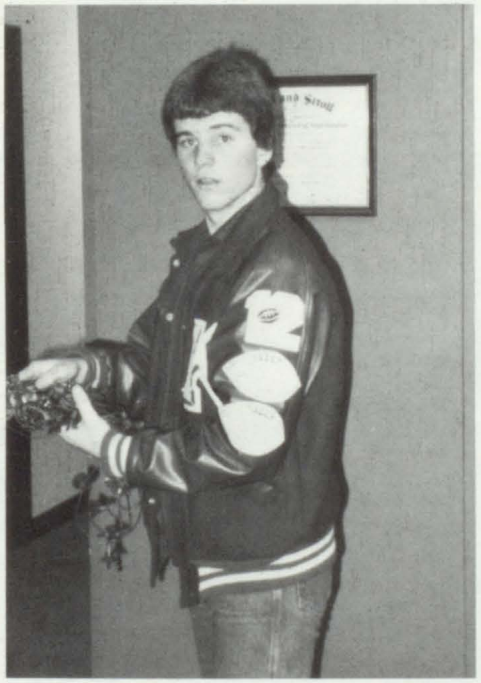

Here at Kennedale High we receive more than a heritage from our forefathers. We take the challenge — a challenge to develop to the fullest a destiny that can be as limitless as Texas horizons. A challenge to build a Texas future worthy of the Texas past. A challenge to be the best you can be!

In Memory of . . .
Pat Hunt
2/19/68 12/5/84

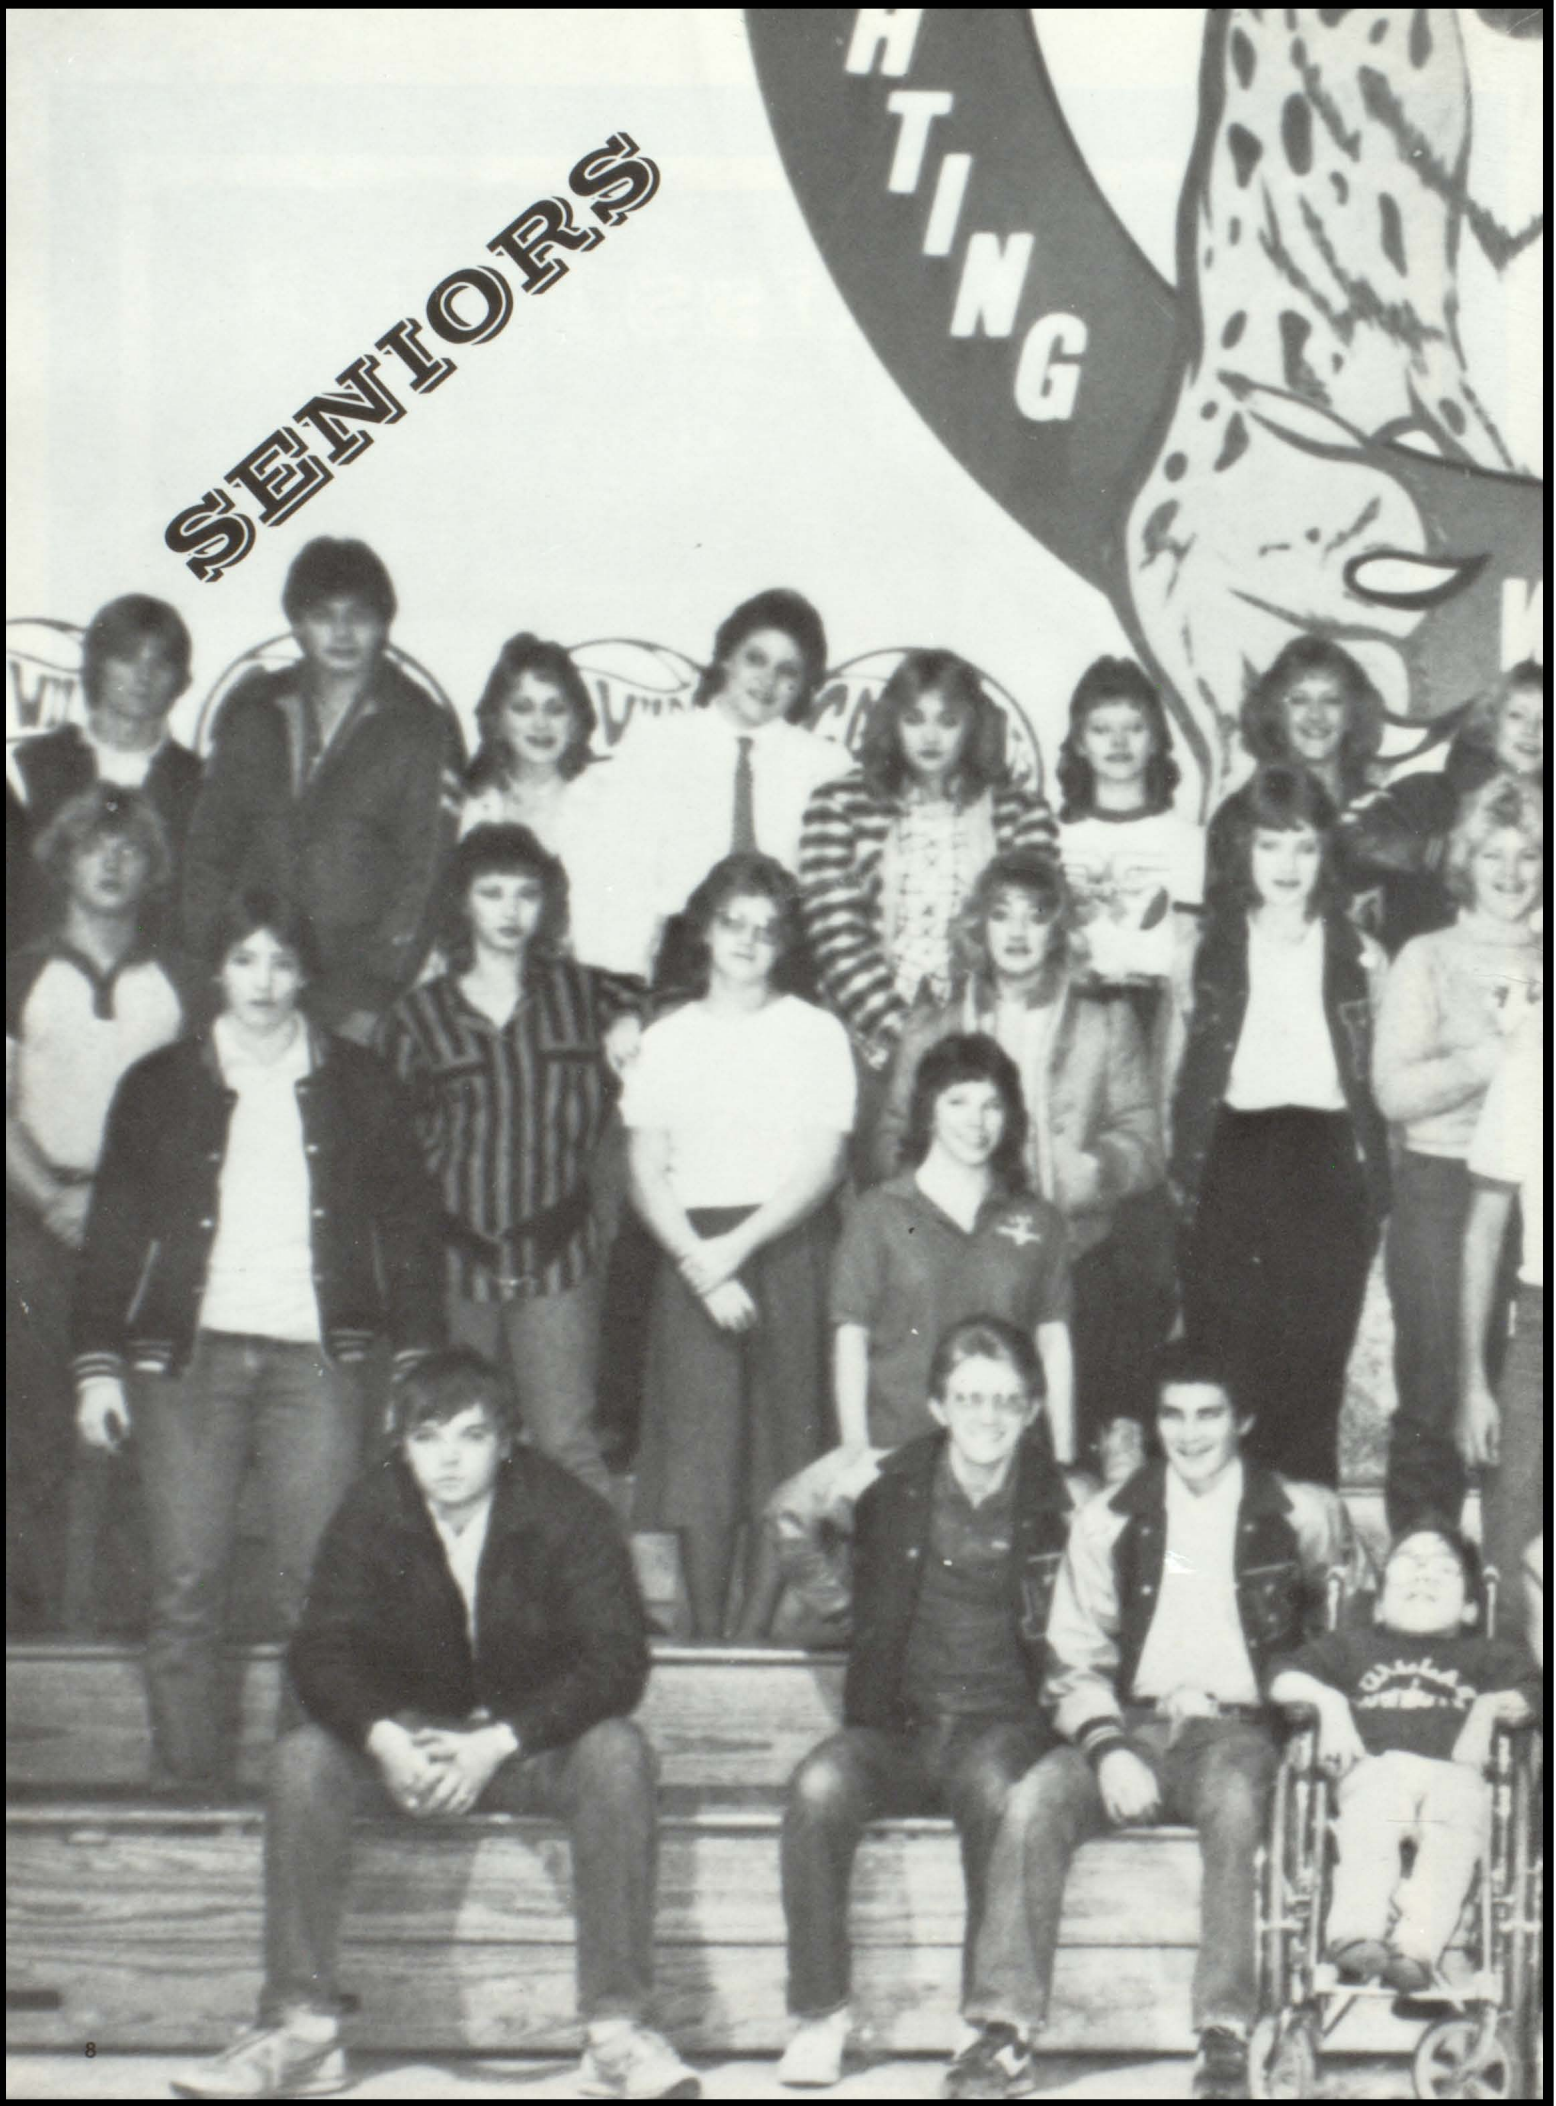

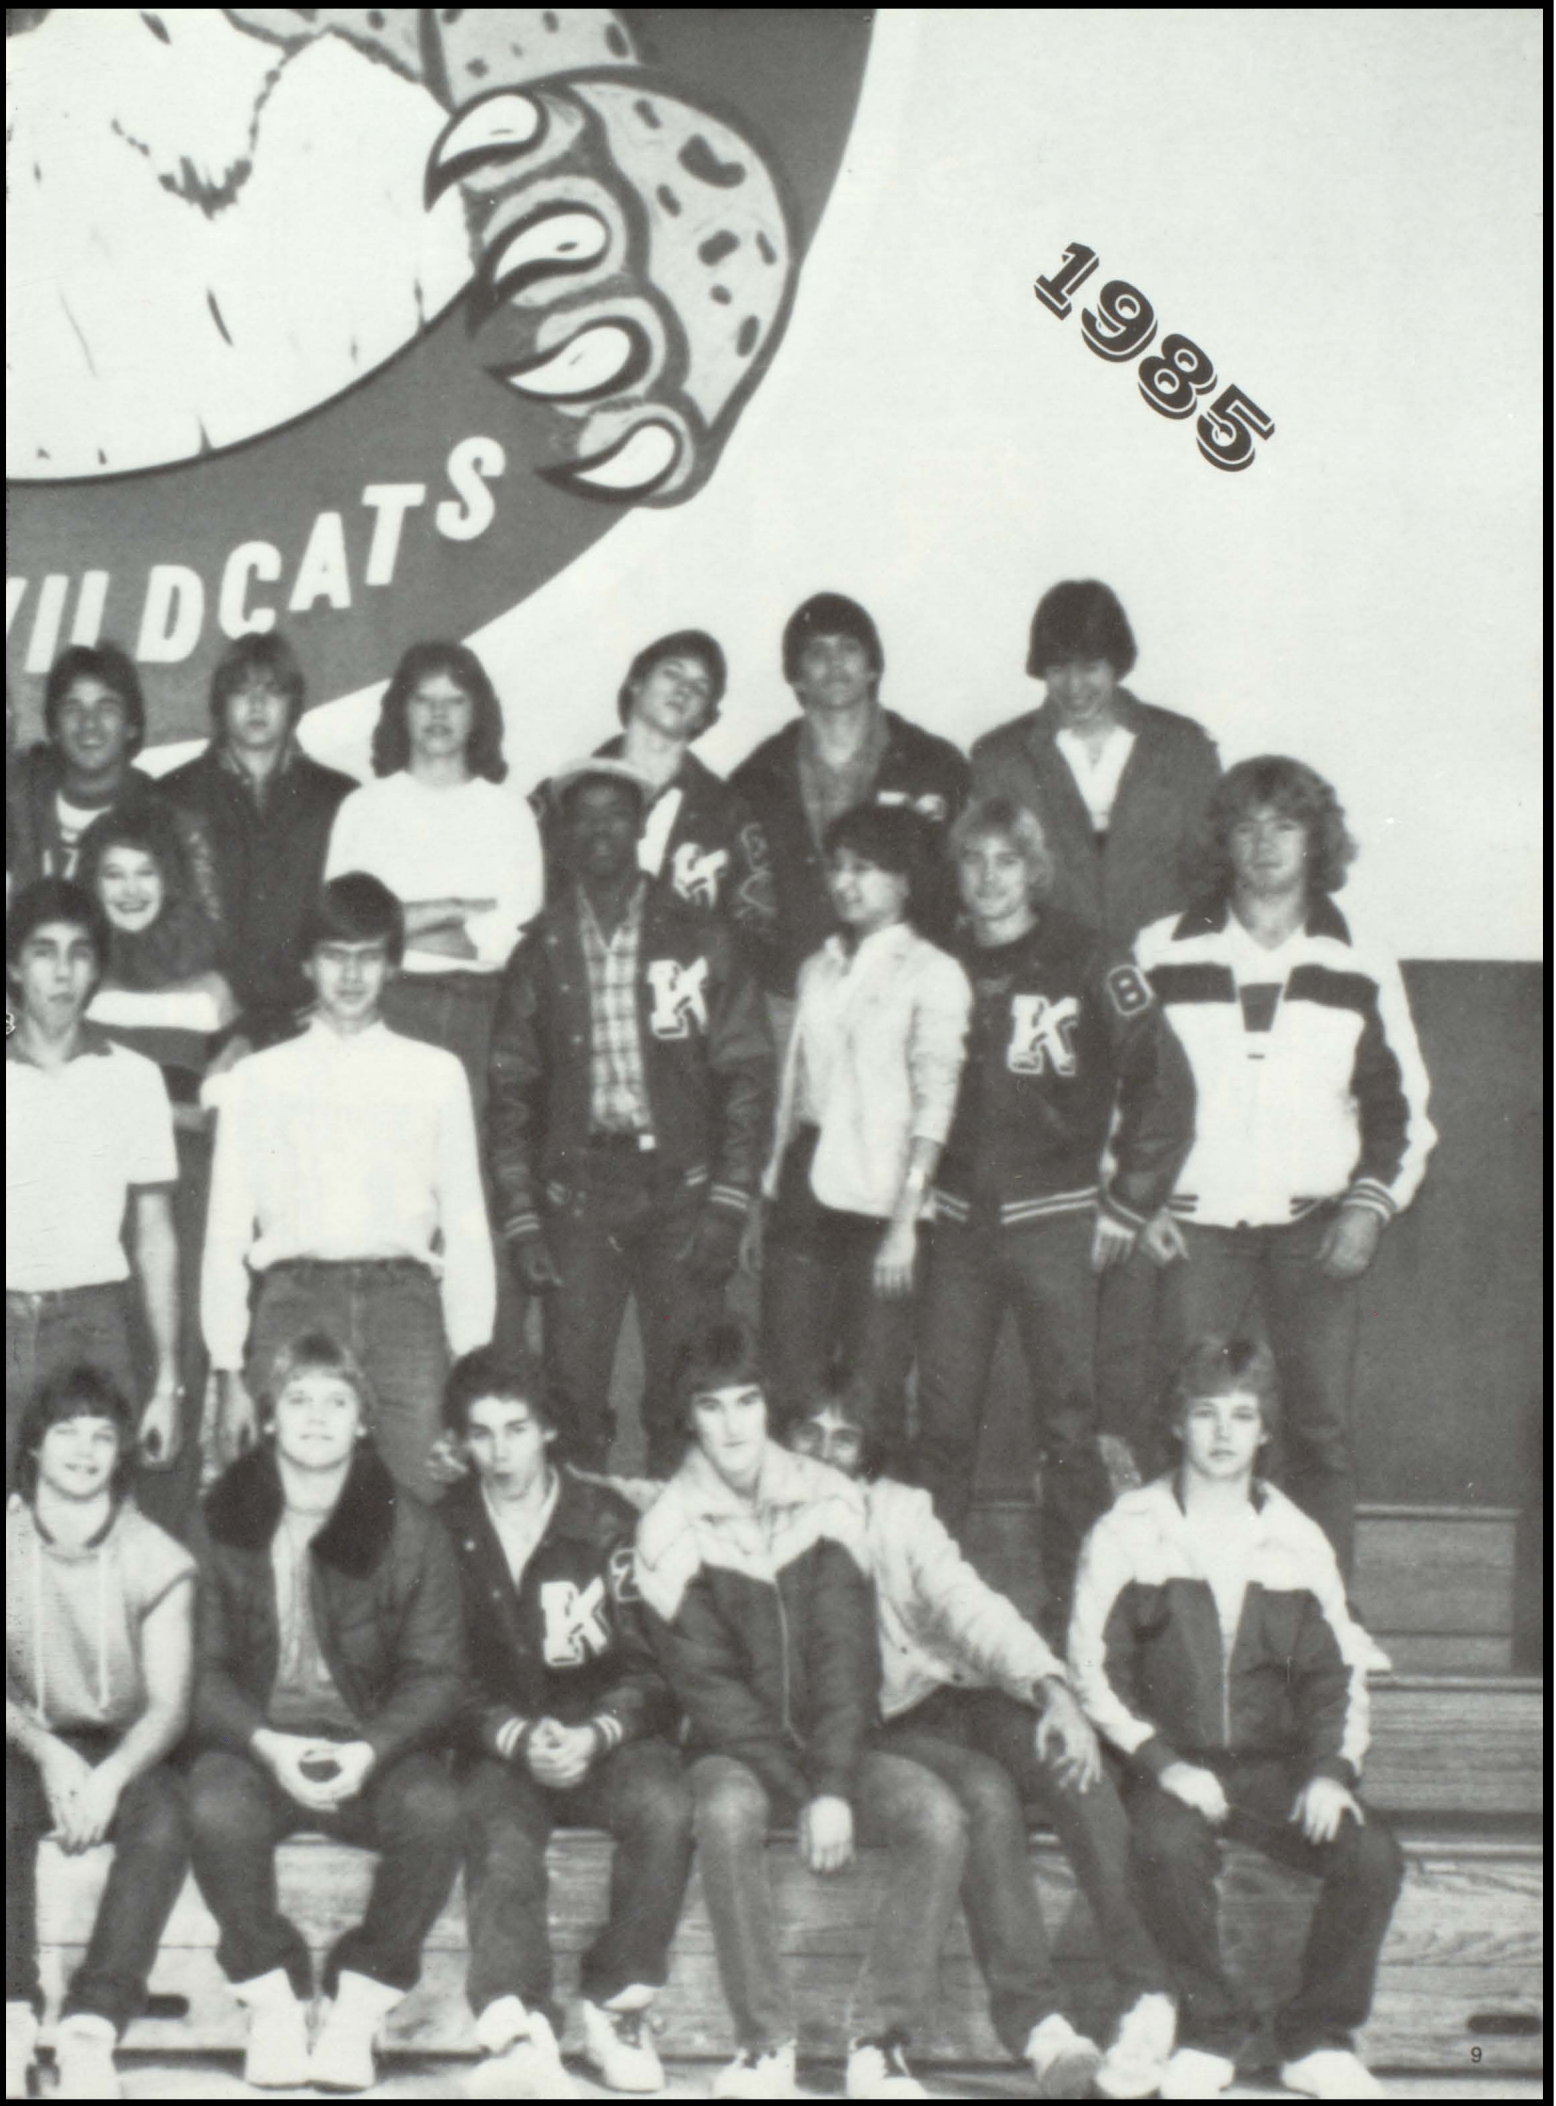

This year's annual is dedicated to a very special person, Pat Hunt. Pat was very dear to everyone that knew him. He always had a smile on his face and a moment to spare if you needed someone to talk to. If you were ever down, he could always find a way to make you smile with his special personality. Friends like Pat are hard to find, and even harder to lose. Pat, you gave us so much joy. Your memory will remain in our hearts forever. WE LOVE YOU!

Senior Trip is a time to make special memories with those who you've passed in the halls, and laughed with in class through the years. The Senior Class of 1985 had one big blast at South Padre! Remember our special moments? — Tina's sting ray — Deanna's bad weekend — Robert and David buried in the sand; cheap sex change — Bobby's older women — Tammy's 2 hr. phone calls — our phone bills — Pizza Inn's profit — Party Taxi Van (Driving With Your Eyes Closed) — Party 1205 — Shot gun Alvin — No backwash! — Volleyball 5:00 Ha Ha — No Balls — Sleeping on beach — 4 am hot tub parties — Bobby's spare key to 1103 — Hac Sac — Bobby's endless sleep — the iced bathtub — Melinda's obscene phone call — the Mexico Trip — Chance it — Control is the key — The unforseen chop —

Much more than one can put on paper happened. The Senior Class of 1985 proved on this trip, and through the year, that WE WILL SURVIVE!

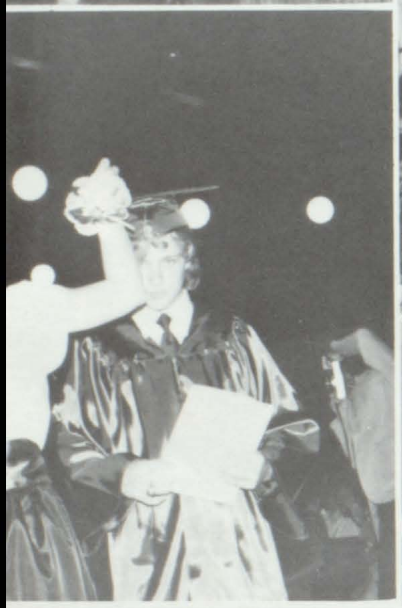

Thank you for letting us have this special time we really appreciate those who helped us.

THE PEP RALLY

PEP RALLY

The Homecoming Pep Rally is a very special one for all, especially the seniors. It is one that will be remembered over all the other Pep rallies of the year. The cheerleaders, the band, the football team and all the student body of KHS join together and make this a game we won't ever forget.

THE GAME

THE GAME

The game started as a standstill. But then late in the first quarter Duane Thomas kicked a field goal from 30 yards out to put the first points on the board. As the game progressed, both teams exchanged 2 touchdowns and Trinity Valley kicked a field goal. Trinity Valley was ahead, 17-16, the Wildcats scored on a guard-around play, but was called back. Trinity Valley went on to win the game, 17-16.

HALFTIME

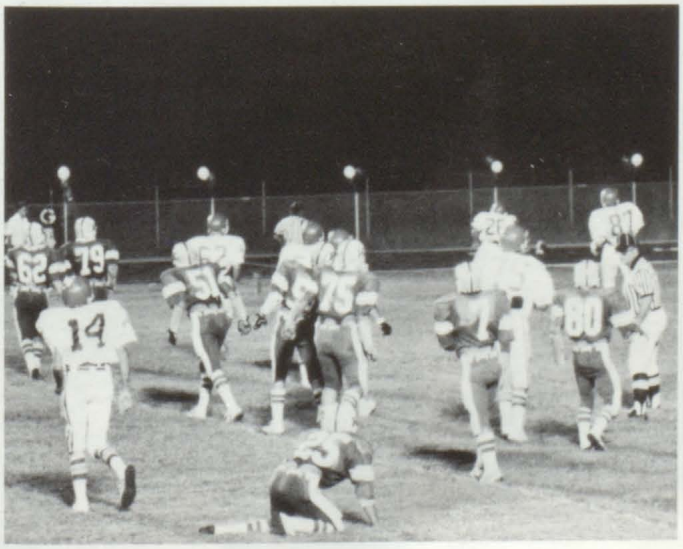

HALFTIME

The KHS band started off the halftime show. Following the band, the Homecoming Court moved onto the field. Senior nominees were Janice Arter, Melinda McCollum, and Robbie Meeks. The Homecoming Princesses were: junior, Candy Moore, sophomore, Robyn Albro, and freshman, Altera Wileman. Janice Arter was crowned the 1984 Homecoming Queen.

Everyone gets involved in the activities and anticipates the football game with the crowning of the Homecoming Queen. As the crowd awaited anxiously, the Homecoming Queen for 1984 was announced. Miss Janice Arter was crowned by last years Homecoming Queen, Carla Hodges.

THE SENIOR VS. FACULTY BASKETBALL GAME

THE PLAYERS

vs.

This year's game was a real blast. Everyone had fun watching and participating. At the end of the first half, the faculty was ahead. But in the second half, the seniors pulled up to tie the faculty with 3 seconds to go. Then Coach Athison was fouled, which was a mistake to do. He easily sank one of the free throws and the faculty edged out the seniors by a score of 47-46.

Christmas Time

Christmas this year at KHS was fun for everyone. Lots of people got into the Christmas spirit, especially the seniors. Hundreds of cards were exchanged between friends and sweethearts, and lots of gifts were exchanged, too. Everyone was in a happy mood, learning that it really *is* better to give than to receive.

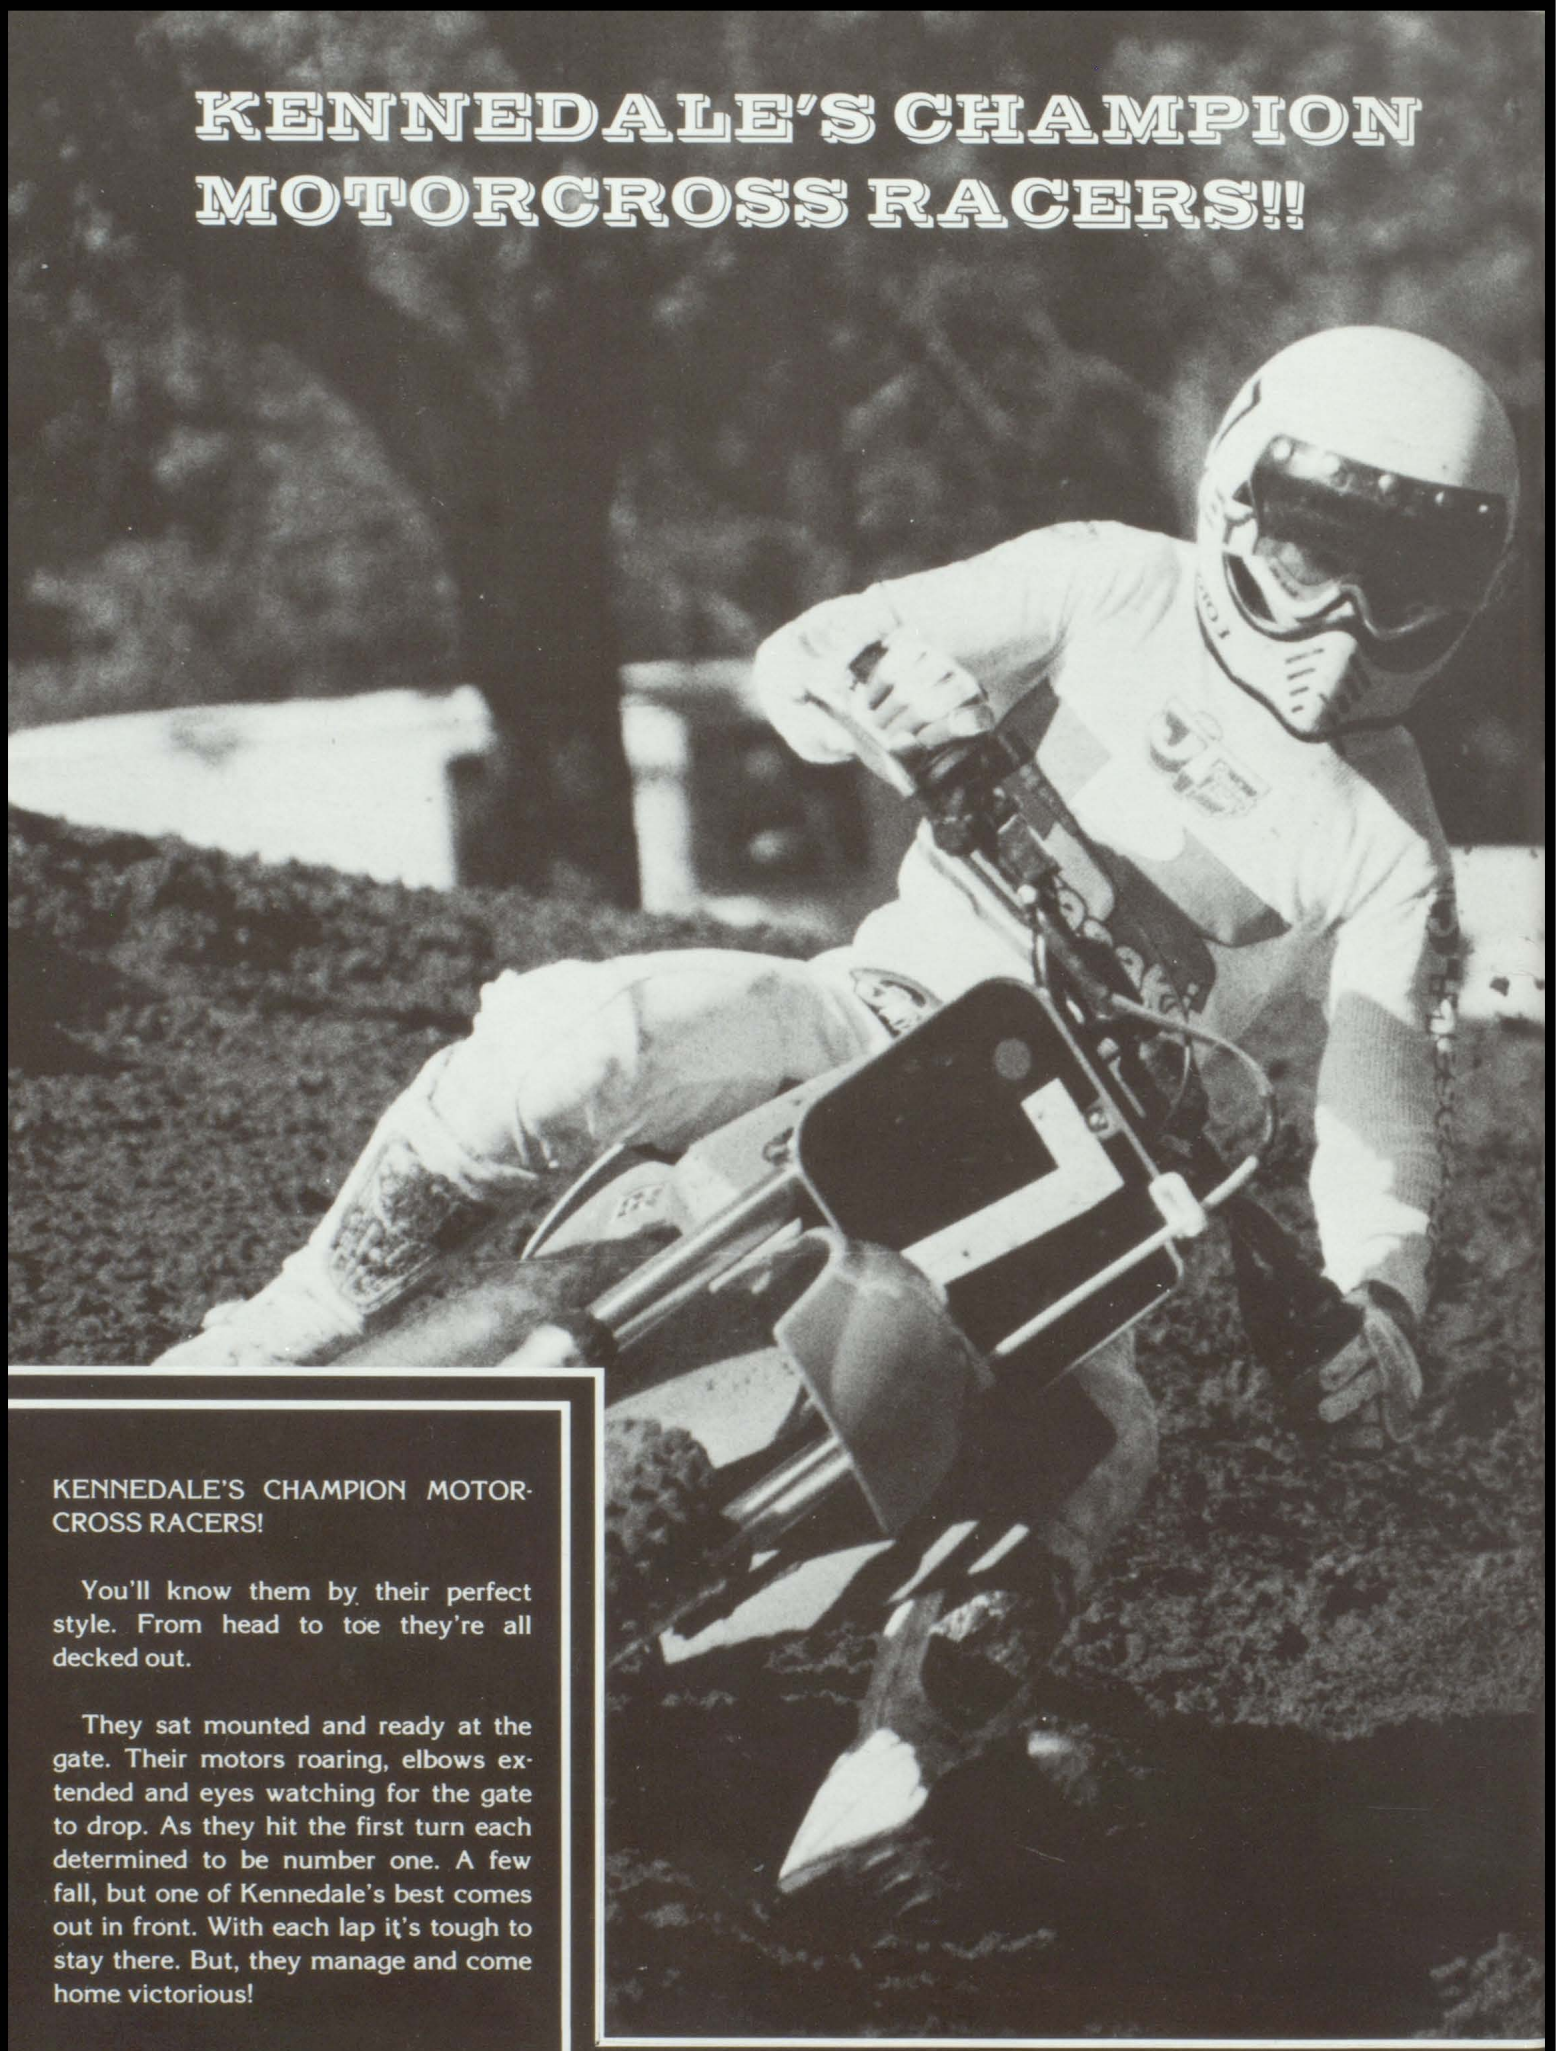

KENNEDALE'S CHAMPION MOTORCROSS RACERS!!

KENNEDALE'S CHAMPION MOTOR-CROSS RACERS!

You'll know them by their perfect style. From head to toe they're all decked out.

They sat mounted and ready at the gate. Their motors roaring, elbows extended and eyes watching for the gate to drop. As they hit the first turn each determined to be number one. A few fall, but one of Kennedale's best comes out in front. With each lap it's tough to stay there. But, they manage and come home victorious!

ONE MORE NIGHT

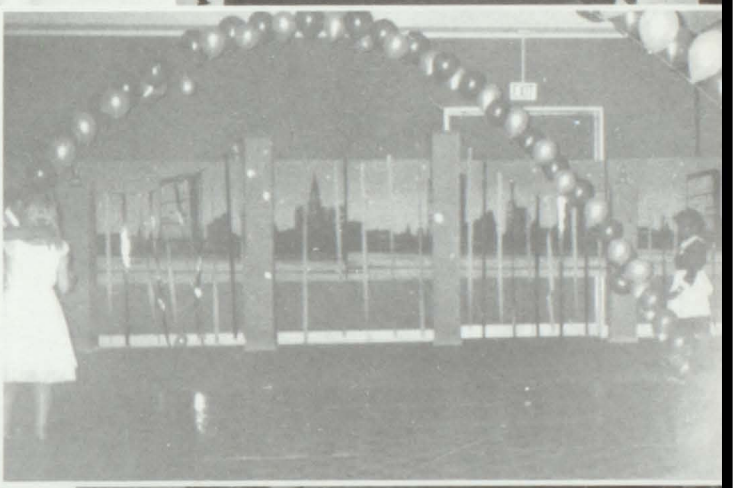

The Junior-Senior Prom was a smashing success! It was held at the Americana Hotel in downtown Ft. Worth, on May 4th. The Junior Class Prom Committee chose the theme to be "Celebrate;" "One More Night," by Phil Collins. The students and sponsors danced to the music by a KEGL D.J. on a dance floor generously decorated with purple and silver balloon arches. After entering the ballroom through a purple bridge, a mural depicting the New Orleans skyline caught everyone's eye. The Seniors' "last will and testaments" were read by Gayle Thompson and Linda Cox. Rita Elrod and Angela Nevoit portrayed "Snoop" and "Scoop" in reading the Senior Class Prophecies. Robert Patterson and Deanna Lopez were crowned Prom King and Queen. The hostesses were given each a rose for their participation. The Junior Class should be commended for a job well done.

VARSITY FOOTBALL

8-3 RECORD

ALL-DISTRICT

Even before football season started, we were expecting to do well this year, and even a chance to go to the playoffs. Well, we did it. This year's team has proven that we had the people to take this team this far. But it wasn't easy.

They worked harder than ever before to accomplish what they did. Going through two-a-days was a real test to see if they had it in them to be a winning ball team. They passed with flying colors. These men were backed by the whole town, which made a major difference for this winning season.

Also, the whole team thanks the Booster Club for all they did. They made the road to the playoffs alot easier and more fun.

Rita, spiking for a score.

Paula, up for the spike.

Our girls took their district title to Denton High School to compete for the area championship. Here, they defeated the Gainsville-Callisburg Wildcats in two sets of 15-9, and 15-11.

REGIONAL QUALIFIERS

Feeling quite comfortable with the Area title tucked away, our Wildcats headed for Texas Women's University for the Regional tournament. Facing the Eustace Bulldogs, the Wildcats fell to a 6-15, 5-15 defeat.

HARD AT WORK

The J.V. volleyball team put forth a lot of effort and hard work. It all paid off when they became District Champs. These girls offer a promising Varsity team next year.

CONGRATULATIONS!

FRESHMAN

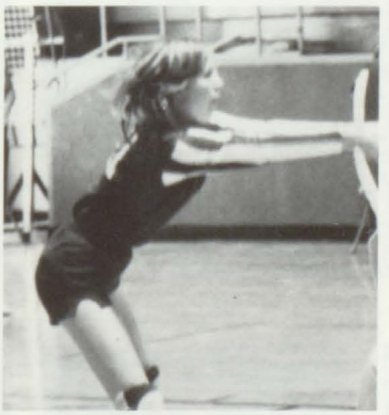

Moving down to 2-A this season created a problem for the Freshmen. We were the only school to have a freshman team. Our girls participated in pre-season games and then retired for the year as district play rolled around. They are very promising athletes, and we look forward in seeing them next year!

Pride, desire, determination and teamwork equal winners. The KHS girls basketball team displayed that they are winners. Even though we didn't make the playoffs, the girls finished 5-5 in district play and 10-12 for the season. We tied for 3rd in district. The girls showed good sportsmanship and hustle throughout the year. The team consisted of 3 seniors, 6 juniors, and 2 sophomores.

VARSITY BOYS TRACK

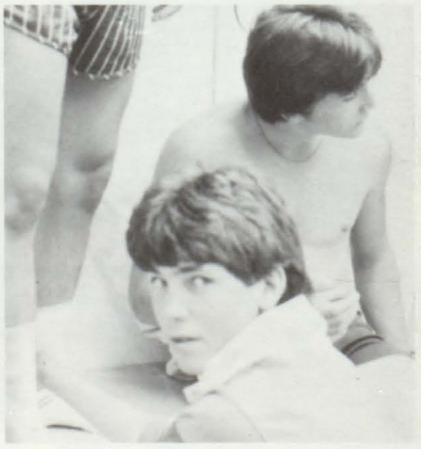

DISTRICT 12-AA CHAMPIONS

This year was the best ever for K.H.S. in track. As all of the men who participated know, it takes a lot of hard work and determination to do good in track. These men stayed and practiced their events until they got them right. This meant staying sometimes until five or six o'clock in the evening after school. This year the coaches as well as the track members thought that we could possibly win the district championship. When district came, we exceeded our highest expectations. Several school records were broken during the district meet, and a winning tradition was set. The men won the District 12-AA Championship running away. Also, a total of 10 individuals qualified for the Regional meet at Tarleton State University. These men have something to be proud of and have shown what it takes to win.

All these guys were regional qualifiers.

Mike Nelson — Trainer

Mark gets congratulated by Coach after winning the 2 mile.

Beau easily clearing the bar in the pole vault.

Tom Boone getting ready to win the 800 meter run.

Jeff Byrns showing his great form in the hurdles.

We were always a step behind Itasca in the 400 meter relay, but we beat them in the team total points at district.

Randy Hatcher and Mike Snelson throwing the shot at the District meet. Randy and Mike placed second and third, respectively.

SPIRITED, EXCITING, FUN . . .

Pep Rallies at KHS were full of *spirited, exciting,* and *fun* memories. Remember the different themes of our Pep Rallies? Beach Day (Life Guard sung California Girls), Fire up (Fire hats and Fire truck), Sock it to 'em Day (Welter Weight Champion of the world, Donald Curry, visited us), Halloween (Shirt Tales try cheering), and Party Pep Rally (Everyone blew their horns). But, what made the Pep Rallies the best was the student bodies excitement. Our football team truly had that 12th man along with them every time they stepped onto the field.

The "Wildcat's Tale" is published once a month. Each and every staff member contributes his or her own individuality to each publication; whether it's a personalized column or a special advertisement, each member is important. Through the newspaper we were exposed to the "Senior Spotlight" in which we learned selected senior's favorite and least favorite things. We were given advice, helpful hints, and sometimes the latest gossip. We would like to congratulate and show admiration for each of these talented students who put the happenings around us into words.

Brian Williams

Pennie Busby is a 4 foot 7 inch Junior here at K.H.S. But don't let her little size fool you. She's a package of energy and never ending responsibilities. She's the dynamic little drummer for the country and western band "The Westerners." Pennie has been with the band since May 1983. "The Westerners" have played engagements all over the Ft. Worth area, including Billy Bob's Texas, and their regular spot at Dulaneys.

The band participated in the Octoberfest and they have done countless parties and benefits. Pennie has a very busy schedule. Besides attending school, she works as a cashier at the Winn Dixie here in Kennedale, and has practice with the band two times a week. Pennie contributed her talents to the Kennedale band program from her sixth grade year until her sophomore year. We're proud to have Pennie here at our school and especially as a member of the JUNIOR class!

JUNIORS . . . AND SPORTS

K.H.S. was awesome this year in sports. We would like to pay special tribute to the Junior who contributed their talents to these fantastic teams. Especially with the "no-pass, no-play" rule in effect, these fine athletes proved that they are more than just muscle.

It takes countless hours of practice to achieve what she has accomplished. Being only a freshman, we are looking forward to seeing her the next three years,

WILDCAT STADIUM

Along with the excitement of a winning football season this year, Kennedale's spirit was boosted with a new stadium. This facility was long in preparation but well worth its wait. It's one of the nicest in our district, and by far ever in Kennedale's history.

We Made It!

These days at K.H.S. have been more than just fun. The year 1985 has provided every moment worth a memory. To us, the Seniors of '85, this year has been a milestone to enter into and conquer our goals and ambitions. 1985 will always be the best ever in our own hearts and the moments will never be forgotten. To the Seniors of '86, '87, and '88 we leave a challenge to grow and continue the winning spirit and loyalty to Kennedale High.

The annual Staff of 1985 has strived to create this book to capture the memories of K.H.S. We hope we've done well.

The year 1985 is now a dream and every tomorrow is a vision,

But, remember that today well lived makes every yesterday a dream of happiness and every tomorrow a vision of hope.

Be Good,
Love you,
Annual Staff Editor,
Janice Arter
